# HOW TO GET TO THE HOFBURG PALACE FROM THE HOTEL

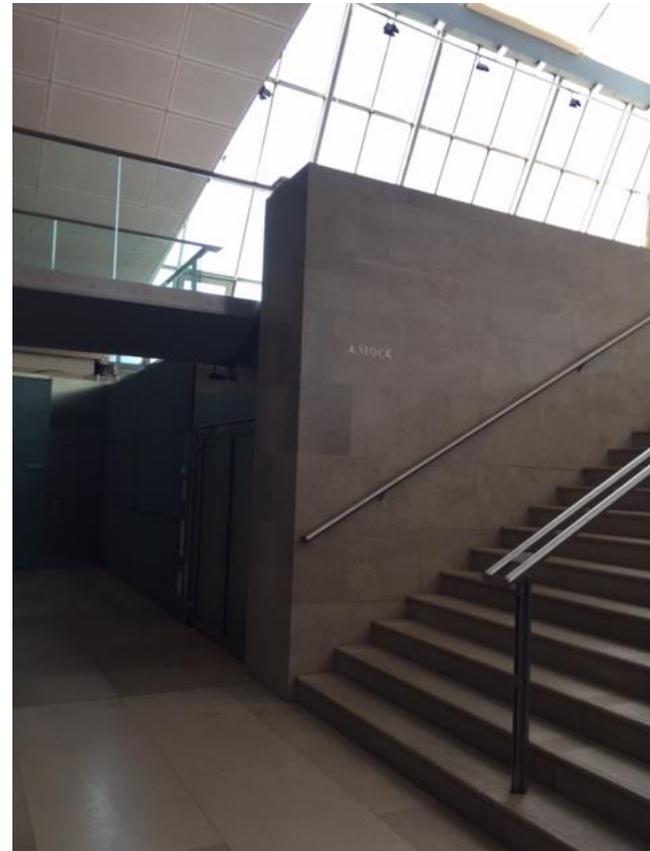

# THERE ARE MANY ENTRANCES TO THE HOFBURG: SEE HOW TO FIND THE RIGHT ENTRANCE TO OUR EVENT

The main front entrance of the Hofburg will NOT take you to our event. Our entrance is Josefplatz and it is behind the main entrance. You will NOT find any signs telling you the names, so look for this door and this statue. On the days of the event, there will be a red carpet and an ESMAP banner at this door.

Once inside, you will go through and take the LIFT. It is five stories high. When you get off the lift, take the stairs to your right and you will have arrived.
